

Psychologist Referral List

Here is a list of several psychologists and psychiatrists that we have worked with for psychological clearance for implantable therapies. Several offer telemedicine, and several will perform the services for a negotiated rate. You can ask your physician for more details and/or their recommendations.

The psychological clearance form is a requirement from all insurance companies. You can see the documentation available for the reasons this is necessary. Once you complete this step and our office receives the clearance, the authorization process can begin, if necessary.

If you have any questions or concerns, please address these with your treating practitioner at SPNY.
